

## Backpacks for Kids

## Thanks for investing in our students

September 26, 2019

Dear Harveen and the Community of Livingston,

On behalf of the Calgary Board of Education, I would like to thank you for your generosity in supporting our students. Your donation of packed backpacks for the 2019 Backpacks for Kids program was greatly appreciated. This year over 3,400 backpacks were delivered to Calgary Board of Education students around the city in almost 70 schools. Your donation meant that in 2019, CBE was able to meet the demand for backpacks and that we were able to support our students with beginning the year confidently and with the tools for success.

The CBE hopes all students are able to arrive at school prepared to be their best, rather than worrying about meeting basic needs. Unfortunately this isn't always a reality. Your generosity has allowed us to provide much needed support to our students.

We extend our sincerest thanks for your contribution and commitment to support our schools and students. We recognize and appreciate the personal investment in the future of our children and community.

Thank you for your kindness and commitment to the CBE.  
Sincerely,

*Victoria Zaharichuk*

Thank you |

**For providing the tools  
for learning**

Thanks to you:

- Over 3,400 students were supplied with what they needed to be successful learners
- students attend school with confidence
