

Skate Park Monitor

Reporting to the Facility Manager, the Skate Park Monitor's role will be to provide an excellent customer experience, while responding to all inquiries and issues from residents and guests in the facility and skate park at The Hub

Reports to: Facility Manager

This position is to ensure that our summer season can run smoothly during our busier times in the evenings and on weekends, with the potential of working mid-days as the summer grows busier.

Responsibilities:

- Provide a fun, encouraging and safe environment for all residents and guests
- Provide First Aid & CPR as needed to residents, guests & staff, especially in the Mobile Skate Park
- During skateboarding times engage with residents and guests both on and off the Skate Park
- Manage fair play expectations during skateboarding times
- Enforce all Livingston Homeowners Association rules and regulations with respect to membership cards and facility/park/skate park usage
- Effectively respond to resident and guest inquiries/issues
- Assist with programming and event set up and teardown – this includes moving/ setting up skateboard equipment
- Communicate effectively with all staff, residents and guests
- Making sure waivers are signed by skate park users and safety precautions are followed
- Helping out at the front desk if needed

Covid-19 Responsibilities:

- Wiping down high-touch areas in the skate park every hour
- Ensuring that residents and guests are maintaining physical distancing
- Ensuring that residents and guests are staying within their cohort
- Making sure the hand sanitizing stations are stocked
- *Ensuring safe numbers on the skate park*

Compensation: Wage will be determined based on experience and qualifications. This position is on a part-time basis, starting in May 2021.

Interested applicants may forward their resume to the Facility Manager: fm@livingstonhub.ca. Please indicate on your application, the position that you are applying for.
