Independent Auditor's Report

To the Board of Directors of Livingston Homeowners Association

Opinion

We have audited the financial statements of Livingston Homeowners Association (the "Association"), which comprise the statement of financial position as at March 31, 2026, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Association as at March 31, 2026, and its results of operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Association in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

BDO Canada LLP, a Canadian limited liability partnership, is a member of BDO International Limited, a UK company limited by guarantee, and forms part of the International BDO network of independent member firms.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Non-cash transaction

During the year, the Association acquired a tractor for $37,003 through financing. This non-cash investing and financing transaction has been excluded from the statement of cash flows.

LIVINGSTON HOMEOWNERS ASSOCIATION
Notes to the Financial Statements
March 31, 2026

1. INCORPORATION AND NATURE OF THE ORGANIZATION

Livingston Homeowners Association (the “Association”) was incorporated under the laws of the Province of Alberta as a not-for-profit organization on June 21, 2016 and thus is exempt from income taxes under section 149 (1)(e) of the Income Tax Act of Canada.

The Association owns and operates amenities for the use of its members, the residents of the community of Livingston. The operations of the Association are governed by the Livingston Management Agreement (the "Management Agreement") dated June 2016 between the Association and Brookfield Residential (Alberta) LP ("Brookfield Residential"). The Management Agreement grants Brookfield Residential the ability to control the management of the Association and management of the Association's amenities until the Effective Date (defined below). Until such time, the powers of the Officers and Directors to manage the business affairs of the Association are temporarily restrained.

The Effective Date is defined as the later of:

i. the date upon which Brookfield Residential has sold its last lands within the Livingston development, or

ii. the date upon which all amounts owing to Brookfield Residential have been repaid.

Brookfield Residential may, at an earlier date at its discretion, transfer portions of the amenities or certain aspects of management to the Association. After the Effective Date, the Association becomes independent from Brookfield

2. SIGNIFICANT ACCOUNTING POLICIES

a) Basis of accounting

The financial statements of the Association have been prepared by management in accordance with Canadian accounting standards for not-for-profit organizations ("ASNPO").

b) Revenue recognition

The Association follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Deferred contributions restricted for the acquisition of capital assets are recognized as revenue in amounts that match the amortization of the related capital assets. Contributions of capital assets not subject to amortization are recorded as direct increases to net assets.

Membership fees are recorded as deferred revenue when received and are recognized as revenue in the Statement of Operations over the related membership period.

Program, events, rental and maintenance fees are recognized as revenue over the period to which they relate.

Interest income is recognized when earned.

c) Use of estimates

In accordance with ASNPO, estimates and assumptions are made by management in the preparation of these financial statements. These estimates may impact the amounts included in the financial statements. The most significant of these estimates are related to amortization and the estimated useful life of the capital assets and accounts payable and accrued liabilities. Actual results could differ from these estimates.

2. SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

d) Capital assets

Capital assets purchased by the Association are recorded at cost. Capital assets contributed to the Association are recorded at fair value on the date of contribution, unless fair value is not determinable in which case contributed capital assets are recorded at nominal value at the date of contribution. Contributed capital assets are subsequently amortized. Expenditures for repairs and maintenance are expensed as incurred. Betterments that extend the useful life of the capital asset are capitalized.

Amortization is based on estimated useful life calculated on a straight line basis as follows:

Buildings	40 years
Park amenities	25 years
Decorative corners	25 years
Automotive	10 years
Furniture and fixtures	5 years

Land is not subject to amortization.

e) Cash

Cash consists of balances held at financial institutions.

f) Impairment of long-lived assets

In the event that facts and circumstances indicate that the Association's long lived assets may be impaired, a test of recoverability would be performed.

Such a test entails comparing the estimated future undiscounted cash flows associated with the asset to the asset's carrying amount to determine if a write-down to fair value is required.

For purposes of recognition and measurement of an impairment loss, a long-lived asset is grouped with other assets and liabilities to form an asset group. An asset group is the lowest level for which identifiable cash flows are largely independent of the cash flows of other assets and liabilities.

g) Financial instruments

Arm’s length financial instruments are recorded at fair value at initial recognition.

Related party financial instruments quoted in an active market or those with observable inputs significant to the determination of fair value or derivative contracts are recorded at fair value at initial recognition. All other related party financial instruments are recorded at cost at initial recognition.

In subsequent periods, equities traded in an active market and derivatives are reported at fair value, with any change in fair value reported in income. All other financial instruments are reported at cost or amortized cost less impairment. Transaction costs on the acquisition, sale or issue of financial instruments are expensed for those items measured at fair value and charged to the financial instrument for those measured at amortized cost.

Financial assets are tested for impairment when indicators of impairment exist. When a significant change in the expected timing or amount of the future cash flows of the financial asset is identified, the carrying amount of the financial asset is reduced and the amount of the write-down is recognized in net income. A previously recognized impairment loss may be reversed to the extent of the improvement, provided it is not greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously, and the amount of the reversal is recognized in net

3. CAPITAL ASSETS

Total	**$ 26,888,768**	**$ 2,714,122**	**$ 24,174,646**

4. DEMAND LOAN

ATB has provided the Association with a non-revolving demand loan facility in the amount of $17,155,209 (2025 - $17,733,916) to finance the Association's recreational facility. The loan bears interest at prime plus 0.20% (2025 - prime plus 0.50%) per annum and was repayable in blended monthly payments of $132,209 until November 2025 (2025 - $132,209). Starting in December 2025, the blended monthly payments lowered to $96,157. The facility is secured by: a general security agreement providing a security interest over all present and after acquired personal property and a floating charge on all lands; a first mortgage registered against the property; a general assignment of future leases and rents; assignment of major construction and development contracts relating to the facility; and an assignment of homeowners dues owing. The prime rate in effect at March 31, 2026 was 4.45% (2025 - 4.95%)

	2026	2025
ATB demand loan	**$ 17,155,209**	**$ 17,733,916**

The loan is expected to be renewed each year under similar terms. The principal payment estimated to be required in each of the next five years and thereafter are as follows:

2027	$ 651,647
2028	747,293
2029	758,613
2030	711,043
2031	746,677
Thereafter	13,539,936
	$ 17,155,209

5. RELATED PARTY TRANSACTIONS

During the year, the following transactions occurred with Brookfield Residential:

a) Brookfield Residential agreed to lend funds to the Association to cover shortfalls in the operating budget, subject to certain conditions defined in the Management Agreement. During the year, Brookfield Residential advanced the Association $890,000 (2025 - $898,718), the Association made repayments of $381,922 (2025 - $28,355) on these advances, and the Association incurred interest of $156,240 (2025 - $162,322). These advances are unsecured, repayable on demand as funds become available and bear interest at prime rate plus 0.50% per annum (2025 - prime rate plus 0.50% per annum). At year end, the prime rate was 4.45% (2025 - 4.95%).

b) The Association recognized $79,632 (2025 - $75,600) for services provided to Brookfield Residential under a maintenance contract which requires the Association to maintain certain public areas within the community. Of this amount, $6,615 (2025 - $52,291) are included in accounts receivable at year end.

The above mentioned related party transactions are in the normal course of operations and have been recorded at the exchange amount, which is the amount agreed to by the related parties.

6. LONG-TERM DEBT

Brandt Tractor Ltd. loan bearing interest at 7.75% (2025 - 7.75%) per annum, payable over 60 months in monthly blended payments of $534 (2025 - $534), maturing in April 2029, secured by a vehicle with a net book value of $20,621 (2025 - $22,935).

	2026	2025
Current portion of long-term debt	$ 5,237	$ 4,848
Long-term portion of long-term debt	12,305	17,542
	$ 17,542	**$ 22,390**

Loan payable to De Lage Landen Financial Services Canada Inc., entered into in January 2026, bearing interest at 2.99% per annum and repayable over 60 months in monthly blended payments of $514. The loan matures in March 2032 and is secured by a vehicle with a net book value of $38,323.

	2026	2025
Current portion of long-term debt	$ 5,156	$ -
Long-term portion of long-term debt	30,997	-
	$ 36,153	**$ -**

John Deere Financing loan bearing interest at 1.15% (2025 - 1.15%) per annum, payable over 60 months in monthly blended payments of $1,059 (2025 - $1,059), matured in November 2025, secured by a vehicle and equipment with a combined net book value of $15,366 (2025 - $23,368).

	2026	2025
Current portion of long-term debt	$ -	$ 8,472

Meridian OneCap financing loan bearing interest at 6.00% (2025 - 6.00%) per annum, payable over 60 months in monthly blended payments of $897 (2025 - $897), matured in March 2026, secured by a vehicle with a net book value of $22,826 (2025 - $27,244).

	2026	2025
Current portion of long-term debt	$ -	$ 10,402

John Deere financing non-interest bearing loan, payable over 60 months in monthly payments of $705 (2025 - $705), maturing in May 2025, secured by a vehicle with a net book value of $16,645 (2025 - $19,867).

	2026	2025
Current portion of long-term debt	$ -	$ 1,409

6. LONG-TERM DEBT (CONTINUED)

The principal repayments on long-term debt to be required in the next five years are estimated as follows:

2027	$ 10,393
2028	10,972
2029	11,584
2030	6,174
2031	5,813
Thereafter	8,759
	$ 53,695

7. DEFERRED CONTRIBUTIONS RELATED TO CAPITAL ASSETS

Deferred contributions relate to capital assets and funding for the purchase of capital assets contributed to the Association by Brookfield Residential and the City of Calgary.

Contributions amount to $2,792,155 (2025 - $2,792,155) less accumulated amortization of $482,667 (2025 - $395,907). The land contributed by Brookfield Residential in 2020 is not subject to amortization and has therefore been recorded as a direct increase to net assets.

8. COMMITMENTS

The Association has lease commitments for office equipment and service contracts. The future minimum payments remaining under these agreements are as follows:

2027	$ 27,599
2028	3,300
2029	3,300
2030	3,300
2031	3,300
	$ 40,799

9. FINANCIAL INSTRUMENTS

The Association, through its financial assets and liabilities, has exposure to the following risks from its use of financial instruments:

a) Interest rate risk

The Association is exposed to interest rate risk as a result of its floating rate debt disclosed in Note 6, whereby the cash flows required to service the debt will fluctuate with changes in market rates.

b) Credit risk

The Association is exposed to credit risk through its cash and accounts receivable.

The Association's credit risk is primarily attributable to its accounts receivable. The accounts receivable represents annual charges not collected from members. The risk is mitigated due to the fact that the Association takes legal action on overdue accounts and places a lien on the property of the member and will collect the annual charge upon sale of the home if the member chooses not to pay the annual charge. The credit risk on cash is limited because the counterparty is a major Canadian financial institution.

c) Liquidity risk

Liquidity risk is the risk that the Association would encounter difficulty in meeting its financial obligations.

Liquidity risk includes the risk that the Association will not have sufficient funds to settle a transaction on the due date. Liquidity risk arises from the accounts payable and accrued liabilities, and demand loan. This risk is mitigated by the Management Agreement, whereby Brookfield Residential has agreed to advance funds to the Association to cover operating shortfalls up to the Effective Date (defined in Note 1).

There have been no changes to the risk from prior year.
